# Yokohama to Africa Student Project

Free

This is a six-month program for students to learn about Africa in preparation for TICAD9, the 9th Tokyo International Conference on African Development, to be held in Yokohama August 2025. Groups will choose an area to focus on and will present what they learn about Africa in a video.

## Topics to choose from

- ① Environment and Green Transformation (GX)
- ② Health and medicine
- ③ Education
- ④ Gender
- ⑤ Agriculture and food
- ⑥ Urban and land development
- ⑦ Culture and sports exchange
- ⑧ Business planning
- ⑨ Digital transformation (DX)
- ⑩ Foreign policy
- ⑪ Tourism
- ⑫ Much more

## Applications

October 10 to November 15, 2024 (17:00 deadline)

※60 students (first-come-first-served)

※Application window will close once full

Apply online via the secure submission system on the Yokohama TICAD9 special website

⟨Website (in Japanese)⟩

(<https://ticad9.city.yokohama.lg.jp/event/327>)
